Camp Tuition Fees

The Celebrate Summer Experience at Berks Area Youth Recreation is one of being a part of the summer community. To be a part of the community, campers need to be in the community a good part of the season to share in the experiences - one week campers would not have the same great team building opportunity as season campers. Therefore for the wellness of the group, it is required that campers commit to at least 5 weekly sessions this summer.

Each registration needs to include a \$30. summer program registration fee

Are you ready for an adventure!? This summer at BAYR Camp we'll explore, collect, examine and ponder our natural environment. We'll visit places for land, air & water fun with exploration. With the summer program, every day we'll enjoy camp crafts, camp sports, environmental interpretation - and most of all - have great times with friends! You'll make friends to keep for life at camp!

For a total summer experience, this camp will also enjoy the pool weekly and is offered optional summer field trips to cool places. At the latter part of summer a true resident camp experience is offered.

Enroll now to experience nature, fun and friends!

Celebrate Summer Campers ages 7 - 12

5 day program - \$160/week

3 day program, same 3 days - \$145/week

--varied 3 days, add a \$30 summer flex fee

* Discounts on camp trips & pool fees when registering with at least 5 weeks by April 22, 2023
